Questions OAM22015S House Labor Moving Services

1> Question: Under Section C.3 description of work, it lists number of people required, but it is a wide range. Can you give the average number of people requires by position for both non-transition and Transition?

Answer: Non-transition – daily requirements are project based, at times the lower amount may be required and at other time the higher estimated amount will be required. Transitions – the lower amount is the estimated minimum staffing requirement, and the higher amount is the estimated maximum staffing requirement.

2>Question: Under Section C.3 description of work, you reference SAC codes as guidance. Does wage determination apply to this agreement?

Answer: No.

3>Question: Can you please send us the ASTM standard safety shoe requirement? There are several on their web page.

Answer: Foot protection shall conform to either: ANSI Z41, American National Standard for Personal Protection - Protective Footwear (1991 or 1999); or American Society for Testing and Materials F-2412-2005, Standard Test Methods for Foot Protection, and F2413-2005, Standard Specification for Performance Requirements for Protective Footwear.

4>Question: On page 9, in reference to the job title installer:

- a. Can you please list the manufacture and model number of systems furniture?

Answer: Herman Miller and Allsteel modular furniture.

- b. Please confirm that the House of Representatives supplies the tools for this job title.

Answer: House will only supply equipment and supplies for moving items from one location to another. Any tools contractor deems necessary to disassemble and re-assemble modular furniture is to be supplied by contractor.

5>Question: On page 9, in reference to the job Inventory Team:

- a. What software will the Team be utilizing?

Answer: The House is currently upgrading the software. At this time, we are unable to identify the future software.

- b. What kind of scanners will they be using?

Answer: The house is currently in process of upgrading to new scanners that will be RFID and Bar Code readers. At this time, we are unable to identify the future hardware.

6> Question: H.18 Damage or Loss to Property

- a. Would you please confirm reimbursement for the “value” of the lost or irreparably damaged property will be based on the depreciated value?

Answer: No replacement value.

7>Question: H.20 requires to flow down to sub-contractors, please confirm sub-contracting is allowed in this agreement.

Answer: Confirmed.

8>Question: H.22 Security Clearance: What positions, if any, under this contract will require Federal government security clearance and / or pass additional background checks, investigations due to access to :House Sensitive Information”?

Answer: None other than normal background check.

9>Question: If awarded, will the new contractor be allowed to interview the current vendor’s staff.

Answer: That is not our decision to make.

10>Question: The state date is 4/1/2021, but what is the award date, and how much time will a new contractor be allowed to transition.

Answer: The award date is undefined at this time. A new contractor will have a minimum of ten business days from award date to transition.

11>Question: Would you be able to provide a rough estimate of the frequency or hours for work-days April 1, 2021 – November 1, 2021

Answer: Generally, all required assistance is project based. The House will be in communication with the vendor(s) after the

award has been awarded. The house is unable to provide data on future projects.

12>Question: Would Commercial automotive insurance of \$200,000 be needed on each vehicle used to drive from our business location in Lorton VA, to parking in DC?

Answer: Only as noted in H.4.C. Commercial Insurance is at your discretion.

13>Question: Could you provide a rough estimate of the number of personnel who might be requiring a security clearance?

Answer: None other than normal background check.

14>Question: Who is the incumbent and / or is there a solicitation number of prior year(s) that would be provided?

Answer: That question is not germane to the scope of work.
